

# Monaro Timber & Joinery

Monaro Timber & Joinery requires a Wood Machinist / Cabinet Maker in our Queanbeyan based store. The successful candidate must have a qualification in Cabinet Making, a strong, working knowledge of timber and experience using workshop machinery. They must also have autonomy and a positive outlook. A great work ethic is the key to a successful career and succeeding in this position.

## About Us

We sell flooring, decking and other off-the-shelf timber products as well as the custom timber components (bench tops, doors and treads etc) which are fabricated onsite for our trade and retail customers. We are looking for a driven and motivated Sales Representative to help our customers select the right products for them in our Queanbeyan-based showroom and workshop.

## Duties

- Cabinet making tasks including fabricating bench tops, doors, treads etc.
- Ensure work meets our quality standards
- Mentor apprentices and junior staff
- Maintain machines and a safe work environment
- Provide technical and job costing assistance to our sales team
- Liaise with clients as required for troubleshooting purposes
- Ensure all paperwork is completed correctly

## The Applicant

To be considered for this role you will have:

- Minimum 3 years of trade background in solid timber work. Preferable furniture making, timber stairs, joinery or similar
- Ability to follow and enforce safety procedures
- Capable of working autonomously and an eagerness to learn and succeed
- Highly developed communication skills, both written and verbal

## What's on Offer?

- The successful candidate will be rewarded with a competitive wage, plus superannuation. In addition, you will receive ongoing training to ensure your success within the business and industry.
- You will be joining a supportive team of skilled professionals
- The opportunity to grow within the business and make a real difference in our field
- Monaro Timber & Joinery is an organisation that encourages and facilitates equal opportunity.
